CoinGecko Branding Guide

Thank you for choosing to integrate CoinGecko with your app. We are extremely delighted!

Below are some branding guidelines that you can use as reference. We are continuously updating this documentation and would like to work closely with the community.

Feel free to contact us at hello@coingecko.com for questions and comments.

Logo

You may only use the official approved logos, available [here](#).

Referencing CoinGecko in your App

1. Mention

If you are integrating with our API. Please mention our brand and link back to us.

For example, "**Data provided by CoinGecko**", "**Data from CoinGecko**" or "**Powered by CoinGecko**" (as long as it's true!).

Markets and Exchanges

Aggregate by Exchange		Show individual Markets	Powered by CoinGecko API	
Exchange	Markets	USD price	24h Volume	
ZB	ZB, QC, USDT, BTC	\$55.1255	\$139,097,858.17	37.11 %
OKEx	BTC, USDT, OKB, ETH	\$55.0924	\$52,421,116.85	13.98 %
BCEX	CKUSD, BTC	\$53.5641	\$19,595,928.19	5.23 %

You may mention us in text, "CoinGecko" or consider using our approved logo above.

2. Marketing

You may use the CoinGecko name and logo in marketing for your app as long as you follow the CoinGecko branding guidelines.

- Don't suggest that there's a partnership or that CoinGecko endorses your app. For example, you can say "Powered by CoinGecko" or "Data provided by CoinGecko" but not "we partner with CoinGecko".
- Don't use the CoinGecko brand repeatedly or as prominent brand in your marketing. It is your app after all.
- If you will be doing significant marketing that includes the CoinGecko logo, do speak to us by writing to hello@coingecko.com
